In 1972, when the Cornwall Chamber of Commerce decided to honour Father Rudy by naming him the very first Citizen of the Year, it wasn't only because of what he had done as a priest but also for what he had contributed to the community to make it a better place to live.

Msgr Rudy Villeneuve spent a good part of his life working to help and encourage young people to get a good education.

He himself had two Masters degrees and two Doctorates. In 1997, a Foundation was formed to honour and recognize Father Rudy's commitment to assist students who wanted to continue their post - secondary education.

Father Rudy, as he was affectionately known passed away in 2011 at the age of 87 years. However, his legacy lives on by the charitable work of the Msgr Rudy Villeneuve Foundation. He touched the lives of many. He may be gone but his spirit lives on in our heart.
